PROFESSIONAL SUMMARY

An BSC.Computer Science Graduate with expertise in Python, SQL, Excel, and Power BI. Skilled at collecting, cleaning, and interpreting complex datasets to uncover trends and generate actionable business insights. Experienced in building dashboards, performing customer segmentation, and communicating findings through compelling data visualizations.

TECHNICAL SKILLS

Programming: Python – Pandas, NumPy, Matplotlib, Seaborn (EDA, data wrangling, visualization)

SQL: Joins, CTEs, Window Functions, Aggregations, Subqueries, Oracle PL/SQL

BI & Visualization: Power BI (DAX, interactive dashboards), Tableau, Excel Dashboards

Excel: Pivot Tables, VLOOKUP, Power Query, Conditional Formatting, Data Cleaning

Tools: Jupyter Notebook, GitHub, VS Code, Google Colab

PROJECTS

Customer Purchase Behavior Analysis – Python

- Performed end-to-end EDA on 100k+ customer transactions using Pandas and NumPy to identify purchasing patterns.
- Executed RFM segmentation, cohort analysis, and churn rate analysis to deliver actionable customer insights.
- Produced 15+ visualizations with Matplotlib/Seaborn including correlation heatmaps, funnel charts, and trend lines.

Sales Performance Dashboard – Power BI

- Built an interactive Power BI dashboard tracking revenue, profit, and regional sales across multiple business units.
- Designed DAX measures for YoY growth, running totals, and target vs. actual KPI comparisons.
- Enabled self-service analytics for non-technical stakeholders through intuitive slicers and drill-through reports.

E-Commerce Sales Analysis – SQL

- Analyzed e-commerce transactions using advanced SQL (CTEs, Window Functions) to identify top products and trends.
- Performed customer behavior analysis including repeat purchase rate, basket size, and seasonal demand patterns.
- Delivered a structured insights report with recommendations that aligned inventory planning with demand cycles.

EDUCATION

B.Sc. Computer Science – University of Mumbai (Thakur College)

2022 – 2025

HSC (Science) – Sathaye College

2020 – 2022

CERTIFICATIONS & ACHIEVEMENTS

Professional Program in Data Analytics – DVOC Institute
